7th Grade Course Selection Sheet

All 7th grade students will take English, Math, Science, and Texas History. Student math course will be determined based on next math course sequence.

STEP 1: Select English Course

Circle which English class you will take in 7th grade: English 7 or English 7 Pre-AP

STEP 2: Select Electives Courses

Write course names for a total of 6 semesters of electives. Remember, a full-year elective involves 2 semesters. Therefore, full-year courses should be written in both Fall and Spring semester spaces.
